

## **Mt Gravatt Vultures Australian Football Club**

### **UNIFORM POLICY**

#### **Purpose**

The purpose of this Uniform Policy is to build a strong, unified team identity, promote discipline, and ensure every player represents Mt Gravatt AFC with pride and professionalism—on and off the field.

---

#### **Policy Statement**

All coaches & team managers in Junior Teams & all coaches, team managers and players in Youth & Senior Teams are expected to wear the official uniform when attending games. Wearing the uniform correctly is a sign of respect—for the team, the sport, and the Club.

The official uniform consists of:

- Club polo shirt
- Black club shorts (or black pants)
- Closed in shoes (no thongs, birks, crocs etc)

#### *Coaches & Team Managers*

For each Vultures team, one coach and one team manager will receive an item free of charge for the year they are in the role. Should a coach or team manager be involved in multiple teams they will only receive one item.

*Example: If someone manages two teams, they will receive only one free item.*

**For the 2026 season, the free item will be a club polo. There will be no substitutes for a different item.**

The Coach / Team Manager is only eligible to receive their free item once they have registered in Play HQ.

#### *Players*

Players will receive a training tee free of charge, while stocks last.

The training tee is not included as part of the player's registration; refunds will not be given if a player does not receive a training tee. Players are only eligible to receive a free training tee once they have registered in Play HQ.

## Why Our Uniform Matters

### 1. **Team Unity & Identity**

Our uniform makes us one team. Whether we win or lose, we do it together—looking like a unit and playing as one.

### 2. **Equality Among Players**

Every player wears the same uniform, which helps eliminate status differences and keeps the focus on effort, not appearance.

### 3. **Discipline and Focus**

Wearing the uniform reminds us that we're here for a purpose—to work hard, compete, and represent the team with dedication.

### 4. **Pride in Representation**

The Mt Gravatt AFC uniform represents more than just a club—it's a badge of honour. Wearing it means you're part of something bigger.

### 5. **Professional Image**

A clean, well-worn uniform reflects well on our team and sends a message to opponents, fans, and sponsors that we are serious, respectful, and prepared.

### 6. **Responsibility & Respect**

Every player is responsible for keeping their uniform clean, complete, and in good condition. It shows self-respect and respect for the team.
