

Mt Gravatt Vultures Australian Football Club Premiership Jerseys & Premiership Medals Policy

Premiership Jerseys

- Players who are part of a Premiership-winning team may retain their Grand Final playing jersey **only if** a sponsor or donor has funded the purchase of a replacement set of jerseys for the following season.
- Where no replacement set has been funded, all playing jerseys remain the property of the Club and must be returned.

Premiership Medals

- In the event of a Premiership, every eligible player is entitled to receive a Premiership medal.
- AFL Queensland (AFLQ) provides only a limited number of Premiership medals to each winning team. Where the number supplied is insufficient, the Club will purchase additional medals to ensure every eligible player receives a medal.
- Coaches and Team Managers are responsible for ensuring that any named Grand Final emergency players are recognised as members of the Premiership team and are presented with a medal during the official Grand Final presentation where possible.
- Premiership medals are to be awarded **only** to eligible players, the Team Coaches and the Team Manager. No medals are to be presented to other coaches, officials, volunteers or any other individuals unless specifically approved by the Club Board.

Definitions

Eligible Player:

An eligible player is any player who has played at least one home and away or finals match for the Premiership-winning team during the season.
