

Power needs to be turned on at the board

Key for the isolator padlock (bottom one) is in the key cupboard in the canteen

Remove padlock and turn isolator on

Hang padlock on padlock above and return key to canteen

1

Laptop is setup in the canteen. Ensure the power cord and HDMI cable are plugged in

Turn on laptop & login
The pin is 'pin123'

2

Double-click the
'Open Scoreboard Display' icon
to start the software.

3

Select the AFL icon to open the scoring program

4

Press the Select Teams tab and then select the HOME team first

5

Once the AWAY team is selected the controller will automatically move to the AFL tab and the scoreboard will show the 'Match Up' screen

6

Select the 'Show Game in Progress' button to commence scoring

7

Scoring can be done on the laptop itself or via an app

To use the app, in the App Store or Google Play search for 'electronic signage australia' and download to your phone

Open the app and scan the QR code

Scoring can now be done via the app

8

Game scoring and timer control

Changing which quarter the game is in can also be done on this screen, it is not automatic and has to be done manually

9

A 'Break Screen' can be shown to allow videos to be played during breaks. Click the 'Show Break Screen' button...

10

and then select the desired slide show or video to be played on the scoreboard

11

Once the slide show or video has finished, press the 'Show Game in Progress' button to continue scoring the game
